### **Army Construction**

Battlegroups should be chosen from available Titan Legios and Knight Households using all current Games Workshop publications. The latest FAQs are in effect, such as those limiting Acastus Knights etc.

The Event will provide tables and terrain. Players are expected to bring everything else they require to play each game, including their Battlegroup, Battlefield Assets and Status Markers, command terminals and all relevant publications. Each player should bring two physical copies of their Battlegroup roster, as well as at least two Objective Markers.

Scoring – Victory Points scored using Primary, Secondary and Tertiary Objectives (if selected) will dictate Win/Lose/Draw.

Stratagems – Players should choose their Stratagems before the Tournament, and record them on the Battlegroup roster in a way that can be seen by the Tournament Organiser but not your opponent until they are needed – either putting Stratagem Cards aside or writing down the chosen Stratagems on a separate piece of paper.

Principes Seniores Traits – Players should choose the Trait for their Principes Seniores before the Tournament and record this on the Battlegroup roster. This cannot be changed between games.

House Rules and FAQs – all up-to-date FAQs published by Games Workshop are in effect. In addition, the following changes are in effect regarding Stratagems –

Scatterable Mines may not be selected.  
Concealment Barrage may only be selected once.
