## WARHAMMER 40K CHAMPIONSHIPS

**These are the Event Rules for the Warhammer 40K Championships at the 2018 Michigan GT!**

The Michigan GT 40K Championships is an opportunity for Warhammer 40K players to celebrate all aspects of our hobby. Generalship, artistry, and sportsmanship will all play their part in determining who will walk away as the champions of the weekend! Once again, we will be a **Major Event** for the 2018 Independent Tournament Circuit (ITC) so all players will earn points towards the 2018 ITC standings. These rules may be updated between now and the 2018 Michigan GT. No major changes will be made after September 14, 2018.

### I. Basic Rules:

1. The Warhammer 40,000 8th Edition Rules and all relevant Games Workshop Errata, FAQs, and dataslates will be used. In the case of a conflict between printed and digital versions, the most recent update or FAQ will take precedence. **Rules released after September 14, 2018, will not be used.**
2. The Planetstrike, Cities of Death, Stronghold Assault, and Death from the Skies rules will not be used.
3. Each player must bring a WH40K rulebook, the current rules for all units in their army and all other materials needed, including dice, measuring devices, and a writing implement. **Players must bring at least six printed copies of their army list (one for each opponent and one to turn in at registration)!**
4. The models used in your army **MUST** be WYSIWYG and be painted with minimum of 3-colors on each model.
5. The Michigan GT is a “Full Disclosure” tournament. Players must answer all questions and provide relevant rulebooks/information at their opponent's request.
6. Players are responsible for ensuring that their armies are legal. If illegal units are found in a player's list, at a minimum, the unit in violation will be removed from subsequent play. Tournament points may also be deducted and/or prize support eligibility may be forfeited at the tournament judges’ discretion.
7. Deliberate “slow playing” will not be tolerated. If a tournament judge observes such behavior, a warning will first be given. If the behavior continues, the tournament may issue an appropriate penalty, up to and including declaring that the player’s turn is immediately concluded or declaring that the offending player has conceded that game.
8. Tournament judge rulings are final and poor conduct by players will not be tolerated. Michigan GT reserves the right to remove players from the event or the Michigan GT itself with no refunds allowed.

### II. Sportsmanship:

1. At the end of each game players will give their opponent a “Thumbs Up” or “Thumbs Down” rating.
2. Players who receive 2 “Thumbs Down” will receive a warning from the Michigan GT staff.
3. Players who receive 3 “Thumbs Down” will be disqualified from any awards and may be ejected from the event at the discretion of the Michigan GT staff.

### III. Army Construction Rules:

1. All players must field a Battle-Forged army of up to **2000** points, and all units in an army, except for those that are Unaligned, must have at least one Faction Keyword in common.
2. Players must include at least 1 and may include up to 3 detachments.
3. The Rule of 3 will be in effect.
4. All 8<sup>th</sup> edition dataslates (including Forgeworld dataslates) will be allowed. (8<sup>th</sup> Edition Forgeworld faction keywords may be used as the basis for a detachment/army).
5. Your Warlord, warlord trait, your “free” relic, and any psychic or similar powers must be designated on your army list and will be the same in each game. Relics or powers purchased through stratagems are exempt from this requirement.
6. For ITC scoring purposes and for determining the Force Champion awards, your faction will be determined by the detachment keyword used throughout your army.
7. All Beta Matched Play rules will be used.

### IV. Games/Mission & Battle Scoring:

1. The Michigan GT 40K Championships will consist of 5 games lasting 3 hours each.
2. Time remaining in each round will be announced periodically. Players should not start a new game turn if they do not feel that both players can finish the turn. When the 5-minute warning is given, no additional game turns should be started.
3. Pairings for the first game will be randomly determined, and efforts will be made to prevent players who regularly play each other from being paired up. Subsequent games will be seeded by Battle Points, then by Battle Record, and then randomly within those divisions.
4. All missions will have both Endgame and Tactical objectives, as well as Secondary Objectives. Tactical (a.k.a. Maelstrom) objectives will be modified as follows:
  - a. Tactical objectives that cannot possibly be achieved by the end of the game may be immediately discarded and a replacement drawn. For the purposes of this rule, the potential arrival of unspecified units, such as units summoned through the “Daemoniac Ritual” rule, does not count as being possible.
  - b. All tactical objectives that award d3 VPs will instead award 2 VPs.
5. At the end of the game, players will compare their VP totals. Battle points will be awarded based on the VP difference between the two players (to a maximum of 50/game).
6. The mission rules will specify how to award points in case of a wipe out or concession.

## WARHAMMER 40K CHAMPIONSHIPS

### VII. Theme Scoring:

The army has a unifying Faction Keyword that, to the extent reasonably possible, is <i>not just</i> that of the codex or codexes from which the units in the army are selected (i.e. the army's faction keyword is <b>WHITE SCARS</b> and <i>not just</i> <b>ADEPTUS ASTARTES</b> ).	10
The army includes at least one non- <b>CHARACTER</b> unit that is not duplicated (i.e the unit's dataslate is only used once in the army).	10
The army, when displayed, presents a unified yet distinctive appearance.	10
The army, and any supporting materials (display board/army list/handouts), tell a compelling story that requires no further explanation.	10
Judges Discretion: Up to 10 additional points can be awarded for especially memorable, creative, unique, or well-executed themes.	10

### VIII. Awards:

- **40K Warmaster: Battle + Appearance + Theme (tiebreaker in that order)**
- **40K Drillmaster: Appearance + Theme (Ties broken by Player's Choice)**
- **Force Champion(s): Battle + Appearance + Theme (tiebreaker in that order)**

For these awards, players will be placed into one of the following categories, based on the Faction Keyword of the player's most expensive detachment, *unless* the only Faction Keyword unifying the player's army is **CHAOS**, **IMPERIUM**, **AELDARI**, or **YNNARI**, in which case the player will be placed into the appropriate Coalition category.

- **Coalition Imperialis (IMPERIUM is the only army-wide Faction Keyword)**
- **Angels of Death (ADEPTUS ASTARTES)**
- **Emperor's Hammers (ASTRA MILITARUM)**
- **Thronesworn (ADEPTUS MECHANICUS, QUESTOR IMPERIALIS, ADEPTUS MINISTORUM, SISTERS OF SILENCE, OFFICIO ASSASSINORUM, INQUISITION, ADEPTUS CUSTODES)**
- **Coalition Chaotica (CHAOS is the only army-wide Faction Keyword)**
- **Warptouched (HERETIC ASTARTES, DAEMON, QUESTOR TRAITORIS, RENEGADES AND HERETICS, DARK MECHANICUS)**
- **Coalition Aeldarius (AELDARI and/or YNNARI is the only army-wide Faction Keyword)**
- **Webway Wanderers (ASURYANI, ANHRATHE, DRUKHARI, HARLEQUINS)**
- **Waaaghlords (ORK)**
- **Undying (NECRONS)**
- **Greater Good (T'AU EMPIRE)**
- **Devouring Swarm (TYRANID, GENESTEALER CULT)**

When registering, players will indicate which category they plan to enter; however, players may change their force category at any time up to and including the time they check-in on for the event. **ITC points and placings will be awarded based solely on the Battle points earned.**
