## WARHAMMER 40K CHAMPIONSHIPS RULES PACKET

The Michigan GT 40K Championships returns in 2022! The largest event at the Michigan GT, players will bring 2000-point, Battle-Ready, Matched-Play armies for five rounds of play, and will be challenged to excel in all aspects of the hobby. Generalship, painting and modelling, and sportsmanship will all play their part in determining our champions for the weekend.

As you might expect, the 2022 Michigan GT 40K Championships will recognize not just the best overall player, best general, and best theme and appearance, but also the best players from the various factions and faction groups. With last year's event selling out with 160 participants, players will have the opportunity to earn serious points for themselves or their teams in the 2022 Independent Tournament Circuit (ITC).
